A WORTHY ENTERPRISE.

On May 1st, last, about four months ago,
Dr. Gilbert opened an office and sanitarium
in the bank block, Salem, and advertised
to treat chronic diseases on scientific
principles. Since that time his practice
has been steadily increasing—so much so
that he was obliged to secure more room
and increasing facilities, and now finding
himself unable to attend to his numerous
patients, he has entered into partnership
with Dr. M. W. Wepp, of Detroit, Mich-
igan, a physician and surgeon of large ex-
perience, thoroughly competent, and a
specialist in disease of the eye, ear, throat
and nasal cavities—who has come with
his family to make his home in Salem.
The new firm will be known as Drs. Gil-
bert & Wepp and will occupy the com-
modious rooms in the bank block, for
office and sanitarium, and will conduct
their business under the name and style
of The Oregon Medical and Surgical Institute. It is
their intention to spare neither pains nor
expense in their efforts to make this the
most complete institution for the treat-
ment of all forms of diseases, especially
chronic, in the northwest.

Medicated vapor baths, electro-magnet-
ism, oxygen and massage, together with
all modern and scientific appliances for
the thorough cure of disease, will be used.
Examinations will be free, and charges
strictly moderate. Address Drs. Gilbert
& Wepp, Bank block, or postoffice box 176,
Salem, Oregon.

W. H. ODELL, P. M.

A Hint to Punny People.

From their arrival on this planet
to their usually early departure from
it, people of weak constitutions and
angular physiques pass a sort of
half-existence. Like dormice they
burrow in their home retreats,
afraid of heat, afraid of cold, con-
stantly afraid that the shadow of
the dread reaper will materialize
and exact the forfeit which he de-
mands of all, sooner or later. No
finer medicinal assurance of com-
parative vigor for the feeble exists
than that afforded by Hostetter's
Stomach Bitters. Used with per-
sistence—not with spurts and
spasms—this genial and profession-
ally commended tonic will do much
toward infusing strength into a
puny system, and rounding off
scrawny angles in the human fig-
ure. Appetite, nerve tranquility
and nightly repose are encouraged
by it, and a malaria, rheumatic
bilious tendency overcome. It re-
establishes digestion and prevents
kidney troubles.

Never Give Up.

If you suffer with asthma, bron-
chitis or any other disease of the
throat or lungs, nothing can sur-
prise you more than the rapid im-
provement that will follow the use
of Santa Abie. If you are troubled
with Catarrh, and have tried other
medicines, you will be unable to ex-
press your amazement at the mar-
velous and instantaneous curative
powers of California Cat-R-Cure.
These remedies are not secret com-
pounds, but natural productions of
California. Sold at \$1.00 a package;
three for \$2.50 and guaranteed by
D. W. Matthews & Co., 106 State St.,
Salem, Ogn.

Wonderful Cures.

W. D. Hoyt & Co., wholesale and
retail druggists of Rome, Ga., say:
We have been selling Dr. King's

dies that sell as well, or give such
universal satisfaction. There have
been some wonderful cures effected
by these medicines in this city. Sev-
eral cases of pronounced consump-
tion have been entirely cured by use
of a few bottles of Dr. King's New
Discovery, taken in connection with
Electric Bitters. We guarantee
them always. Sold by Dr. H. W.
Cox.

Carlisle Re-nominated.

COVINGTON, Ky., Sept. 19.—J. G.
Carlisle, speaker of the house of
representatives, was unanimously
re-nominated to-day.

Severe Floods.

PORT JERVAIS, N. J., Sept. 19.—
The heaviest rainfall in years oc-
curred here yesterday and last night.
Several streets are torn up and cellars
flooded. People were taken
from their houses by boats this
morning. Several small houses
were carried into the Delaware river.
The river is still rising.

A Big Reward.

CHICAGO, September 16.—Mrs.
Snell, widow of the millionaire who
was murdered in his own house by
a burglar—doubtless the young
scoundrel Tascott—offered to-day
double the amount of the original
reward, which was \$10,000, for the
capture of the fugitive. It is not
known that any definite clew to
Tascott's whereabouts has caused this action.

Fire Bugs at W. T.

SPOKANE, Sept. 18.—There have
been two more incendiary fires here
with a loss of \$30,000. Other
attempts at arson were made while
the fires were in progress. A mass
meeting named a committee to
make a determined crusade against
the fire bugs. It has offered \$1,000
for apprehension and conviction
of the criminals. Special police are
being enlisted, and the saloons are
ordered closed at 11 p. m. till 4 p. m.

Cattle in Palace Cars.

OGDEN, U. T., Sept. 16.—Two
special trains of fat cattle belonging
to Messrs. Crocker and Tyler arrived
over the Central Pacific to-night,
destined for Chicago over the Union
Pacific and connecting roads, and
will be run through with a special
silk train on passenger time. One
train of cattle in palace stock cars
are to be fed and watered while in
transit, and if the shipment proves
successful a large amount of stock
from Nevada and Oregon will go
East for a market.

More Yellow Fever.

JACKSONVILLE, Fla., Sept. 16.—
The official bulletin of the board of
health for the twenty-four hours
ending at 6 p. m. reports: New
cases 74, deaths 9. Total cases to
date 985; total deaths 126. This eve-
ning a corps of fourteen nurses sent
by Harry Miner arrived from New
York by steamer to Fernandina.
Twenty-three nurses from New
Orleans arrived to-day. It has been
a sad Sunday. The weather is still
unsettled. Among those prostrated
is Colonel Whitfield Walker, inter-
nal revenue collector for Florida, and
Mrs. Walker. He is doing well.

The Profit-Sharing System.

MINNEAPOLIS, Sept. 18.—Pills-
bury & Co., millers, have dis-
tributed \$40,000 among their
employees on the profit-sharing plan,
the largest distribution of this char-
acter ever made in the country.
Four years ago they inaugurated
this plan. This year has been a
profitable one, and hence the work-
men's share is very large and the
distribution has been on a more
liberal scale than before. Everyone
who has been in the employ of the
firm for two years has received a
share. The amounts received vary
from \$25 to \$2500, but in no case was
the amount less than a month's
salary.

the fair ground, opposite Wilk's
restaurant, the largest in the world.
